Our new clients, a lovely family, are searching for a Russian Speaking Nanny to look after their 2,5 year old daughter, as the parents would like for their child to learn the Russian culture and language. The Russian Speaking Nanny job is located in Hammersmith, London. Communicable English is a must have for this vacancy as the mother doesn't speak Russian.

The successful candidate will have experience with toddlers and great command of the Russian language. The ideal candidate will also be proactive, chatty (for the child to hear as much Russian as possible), friendly and sociable, energetic and enthusiastic, loving and caring and someone who can fit into the family well.

We are looking for a professional, trustworthy, discreet, punctual, organised, quick and tidy individual who is passionate about taking care of children and helping them with learning through reading, singing, drawing and other development activities.

The parents are flexible on the nanny job being Live IN or Live OUT however, their preference is live out. The parents would also like to ask for occasional overnight babysitting.

If you are searching for a Live IN nanny job, you will be provided with a separate bedroom.
