

PERMANENT FULL TIME HOUSEKEEPER JOB

LIVE OUT / LIVE IN HOUSEKEEPER JOBS | RICKMANSWORTH | HERTFORDSHIRE

Salary: 40,000 GBP / Year Gross

PHS Job 2519

Perfect Household Staff is actively searching for an energetic and personable full time housekeeper to join a private residence in the picturesque area of Rickmansworth, Hertfordshire (WD3). This bustling household comprises 3 adults, 2 children, and 8 well-behaved dogs. The family are very active and are searching for a housekeeper who will "get stuck in" with the housekeeping duties in their friendly and informal home.

The role provides flexibility, allowing for either a live in or live out arrangement. For a live out candidate, it is essential to have a car to commute to the property. The principals and children frequently travel and may not spend all their time in residence. The established working hours shall encompass 50 hours per week, spanning Monday through Friday, with an extension to include Saturday until 12 am.

In the absence of the principals, the housekeeper is expected to take care of the dogs. We are seeking a candidate who can provide pet care, feels comfortable with dogs of all sizes, and has no allergies. It is important to note, that two of the dogs are friendly and well behaved dobermanns.

The ideal housekeeper will be responsible for the overall cleaning of the 5-bedroom home, a separate gym area, kitchen, dining area, and 3 guest rooms. It is important to understand that this is a very busy family home but not a "show home".

We are in search of a dedicated professional who is organised, warm, friendly, and willing to be flexible (while proper time off in lieu and holidays will, of course, be included) and is looking for a long-term commitment. The candidate's service-oriented approach should ensure proactive task completion while upholding strict privacy and confidentiality.

Duties will encompass daily and deep cleaning of the household, ensuring it is always tidy and presentable, making beds, cleaning bathrooms, and maintaining all areas of the house. The full-time housekeeper will also manage wardrobe, handle laundry and ironing, organise cupboards, and ensure that the home is consistently well-presented and cared for.
